SUPPORT FOR F-SECURE® CLIENT SECURITY 9-SERIES ENDING

Support for Client Security 9.32 will come to an end on February 6th, 2014, after which we cannot guarantee the functionality of the product series.

The replacing product version is:

- F-Secure Client Security 11.00

Information security threats are widespread and becoming more complex all the time. We continuously develop our products to better respond against these new threats. Our newest product versions introduce many advanced features like protection against spyware and rootkits. We cannot guarantee an adequate level of protection for customers using older product versions.

An up-to-date list of supported products by F-Secure is available at:
