SUPPORT FOR F-SECURE® POLICY MANAGER WINDOWS 9-SERIES ENDING

Support for Policy Manager for Windows 9.00 will come to an end on November 30th, 2012, after which we cannot guarantee the functionality of the product series.

The replacing product version is:

- F-Secure Policy Manager 10.01

The newest product version is available for download free of charge: http://www.f-secure.com/en/web/business_global/support/downloads/-/carousel/view/78

Information security threats are widespread and becoming more complex all the time. We continuously develop our products to better respond against these new threats. Our newest product versions introduce many advanced features like protection against spyware and rootkits. We cannot guarantee an adequate level of protection for customers using older product versions.

An up-to-date list of supported products by F-Secure is available at: http://www.f-secure.com/en/web/business_global/support/supported-products

Yours sincerely,
F-Secure Corporation
